Experiences

Software Engineer Intern | Thinkcrypt.io | August 2025 – Present

- Developed with **Next.js (SSG - Static Site Generation)** & **Node.js, Express.js (Backend)**.
- Writing and maintaining **TypeScript** based codebases for client projects.
- Built and optimized APIs with **MongoDB** integration for real-world use cases.
- Collaborating with a team of engineers to deliver scalable, production-ready solutions.
- Actively contributing, debugging and code optimizing of projects

Software Engineer (Remote, Contract) | Talentia | March – May 2025

- Designed and developed a responsive company website using **Next.js and Tailwind CSS**.
- Implemented backend services with **Node.js, Express.js, & MongoDB** for contact forms and newsletters.
- Integrated **multilingual** support (**English ⇌ German**) using **JSON**-based translations.
- Recognized with an **Appreciation Letter** from the client - [View Letter](#).

Projects

Chatsy | *MERN Stack, Redux, Tailwind CSS, Cloudinary, JWT, Socket.io* [Live](#) | [Github](#)

- Built a **full-stack real-time chat application** using **MongoDB, Express.js, React.js, and Node.js**.
- Implemented **JWT authentication & authorization** for secure user login/registration.
- Integrated **Cloudinary** for user profile image uploads and storage.
- Added **Socket.io** for instant real-time messaging between users.
- Managed state with **Redux** for scalability and performance.

Bean Scene | *Next.js, Tailwind CSS, Parallax Effect* [Live](#) | [Github](#)

- Landing page implemented **Next.js** and **Tailwind css** with modern navbar and design effects.
- Fully responsive for all the devices along with the view height for different devices.

E-commerce Website | *React.js, Tailwind CSS, React-Router* [Live](#) | [Github](#)

- An e-commerce website design made with **React.js** and **Tailwind css**.
- Fully responsive for all the devices, easy routing and simple design.

Education

Creative IT Institute : Full Stack Development (MERN) | 2024-2025

Jagannath University : Bachelor's Degree | 2023
